Attention Dan Mulhern

Dear Sir

RIBSTRUCT DRAINAGE SYSTEM – APPLICATION FOR APPROVAL

Further to your letter of 16 October 2001, we acknowledge receipt of your request to approve the use of RibStruct pipe for stormwater drainage.

RibStruct is approved for use as stormwater drainage pipe for diameters up to and including 630mm. This approval is valid for a period of twelve (12) months from the above date and subject to satisfactory performance of the product. Video inspection of lines constructed will be required at this time to ensure adequate performance of the product.

If you have any further queries, please contact Council Manager Engineering Services, Mr Ray Kirkman, on the above telephone number.

Yours faithfully,

PHILIP STARK
CHIEF EXECUTIVE OFFICER

A Tableland Paradise
