Attention: Craig Robins

Dear Sir

RIBSTRUCT DRAINAGE SYSTEM - APPLICATION FOR APPROVAL

I refer to your letter of 19 March 2001 with regard to the subject matter.

I confirm verbal advice that Ribstruct Polypropylene Stormwater Drainage Pipe is approved for use in Logan City for all non pressure applications.

This approval is valid for a period of 12 months from the above date and subject to satisfactory performance of the product. Video inspection of all lines constructed during this time, to ensure the adequacy of the product, will be required.

It shall be a requirement that you continue to pursue approval of your application for interim Standards Mark to pr EN 13476-Part 1.

If you have any queries with regard to the above please contact Council's Design Engineer, Mr George Zalesky on 3826 5213.

Yours faithfully

for G R Kellar
CHIEF EXECUTIVE OFFICER
